

# Cookie Notice

(last update: July 15, 2024)

**This Cookie Policy applies to the teamplay web-application operated by the Siemens Healthineers company referred to under “Corporate Information.”**

To make the teamplay web-application work properly, we store on your device small data files called "cookies." Cookies save certain settings and data to exchange with teamplay web-applications via your browser.

For example, cookies enable us to secure the teamplay web-application and to remember your settings so that you do not have to re-enter it every time.

Please note that certain functions of our teamplay web-application may no longer work, or not correctly, without cookies. For more information of how we use your personal data please refer to our Privacy Notice.

## Types of Cookies

Cookies can be assigned to the following categories, depending on their function, and intended purpose: Strictly Necessary Cookies, Performance Cookies, Functional Cookies, and Marketing Cookies.

The teamplay web-application utilizes only Strictly Necessary Cookies.

Strictly Necessary Cookies are needed for authenticating you as a user. They are also required to enable navigation within Siemens Healthineers teamplay web-application and operate basic teamplay web-application functions, such as the issuance of Session IDs or storing user workflow status.

## List of Cookies

The following table lists the Strictly Necessary Cookies of teamplay websites, i.e., from \*.teamplay.siemens-healthineers.com.

*.\$diagnostics	Managing features

## Removing Cookies

As the cookies set by the teamplay web-application are required for the operations of the application you cannot disable these cookies through the “Do Not Track” setting in your browser.

We may update this Cookie Notice from time to time. The data of the latest update is indicated at the top of this Cookie Notice.
